ACE Tuition Payment Details

**There is a €25 deposit required to secure your place with ACE Tuition.
This will then be offset against the total payment required for Term 1.**

Term 1 Fees (September-December)

Each one-hour tuition class will cost €20/€25 subject to the below:

Term 1 Fees (Face to Face classes) = (14 classes x €25) – One FREE class (€25) = €325

Term 1 Fees (Live Online Maths classes) = (14 classes x €20) – One FREE class (€20) = €260

Plus, a FREE copy of my 200-page textbook 'How to ACE the Leaving Certificate' for all subjects. This book is suitable for both Junior and Leaving Cert students and is a brilliant study guide. So far 1,000 copies of it have been shipped countrywide. Each student will be fully supported during the year with exam solutions and top class notes regularly e-mailed to them.

If the full amount for Term 1 isn't feasible upfront, you can submit fees to cover up to October Mid-term. Unfortunately, in this case, your child will not be eligible for the FREE class and my FREE ACE exam textbook.
