Dear Parent,

Due to 6th year students being behind with content covered this year and to complete our course, I am putting on four extra online classes. This is to finalise some key areas prior to the June exams. Students will complete homework for these classes and be sent full and detailed solutions after each class. Topics covered (with H1 notes and exam solutions sent) will include The Circle, Sequences and Series, Financial Maths, Calculus, Statistics, Integration, Trigonometric Functions & Graphs, and Geometry with Trigonometry. Recordings of class will be available to any student that is ill or attending graduation.

LC Higher Exams in Maths: **Paper 1: Friday June 7th. Paper 2: Monday June 10th**

ACE Live Online Maths Classes (Term 3 - Final Extra Classes)

Class	Thurs May 16th - 6-7pm
1. ACE Leaving (6th Yr) Higher Maths [4 Hours] - Mr. Joe McCormack	Tue May 21st - 6-7pm
	Mon May 27th - 6-7pm
	Thurs May 30th - 2-3pm

Classes may run over by 5-10 minutes

For further Information, please ring me anytime at (086) 4076495 or e-mail joemccormack3@gmail.com

Kind regards,
Yours in Education,
Joe McCormack (ACE Maths Tuition/ACE Solution Books)
